# Willow Coffin Personalisation

## Natural willow colour

Different shades of natural willow colour are available due to the result of handling the willow in different ways when it is harvested. All willow coffins are available in a choice of Weatherbeaten Gold or Natural Buff.

*Weatherbeaten Gold*

## Hand-dyed banding and handles

You can select colours of hand-dyed willow to be carefully woven into distinctive bands around the top and bottom and the handles of our willow coffins.

## Willow colour range

We provide the following choice of 13 colours for willow handles and banding:

*Black*

*Brown*

*Green*

*Turquoise*

*Royal Blue*

*Navy*

*Purple*

*Pink*

*Burgundy*

*Red*

*Orange*

*Yellow*

## Embellishment

For a personal touch, our willow coffins can be decorated with a woven cross (other simple motifs may be available on request).

## Memories

Our natural coffins can be decorated with your own personal messages as part of a farewell. These messages could be anything from a memorable moment, to an expressive feeling. Each message is individually inscribed onto a small wooden heart or circle, finished with natural cord and supplied in sets of four. They can be hand tied to the coffin by the family or, if you wish, we can help you with this. The memories can also be kept back after the funeral as a keepsake or tribute for remembrance.

Each memory can hold up-to five lines of text; each line can hold up-to 22 characters. We recommend about four to six memories each side of your willow coffin; however, you could include many more at your own discretion if you wished.

The memories shown in the image below have been carefully tied to the plait of the lid. They could also be placed onto the handles or directly onto the weave of the coffin.
